**Subject:** Petition of CCEBA to Intervene in Docket No. 2021-114-E

To Richard Whitt:

I am in receipt of your letter of October 29, 2021 requesting a Directive Order allowing CCEBA to intervene in Docket No. 2021-114-E. I would point you to the language of Commission Regulation 103-825 (3), which states, among other things "Objections to a Petition to Intervene shall be filed with the Commission within ten days of service of the Petition to Intervene." The Commission's Docket Management System shows that the CCEBA Petition to Intervene was served on the Parties to the Docket on October 21, 2021. The tenth day of service is actually October 31, 2021. Because the Commission is not open, the tenth day then becomes November 1, 2021. Accordingly, under Commission Regulations, I am under an obligation to honor a full ten-day period after service of the Petition for possible objections before I can consider whether or not the Petition should be granted. Accordingly, I will rule on the Petition as soon as I can after the expiration of the 10-day period on November 1, 2021.

Thank you in advance for your consideration in this matter.

Regards,  
 David Butler
